

Magnet Program Options

**Now Accepting Applications
for the 2012-2013 school year!**

Whatever a student's interest, Newport News Public Schools has a school for them. With more than a dozen unique magnet and specialty programs, elementary, middle and high school students have the opportunity to focus in areas such as environmental science; marine science; communication and performing arts; aviation; international studies; math, science, technology, and engineering.

**Magnet School Applications
Due by January 13, 2012**

**See Back for a
Schedule of Open
Houses!**

Applications are available at all Newport News public schools, online at www.nnschools.org/magnet, or at the Administration Building located at 12465 Warwick Boulevard.

Completed applications can be turned in to any Newport News public school or to the Administration Building.
