Mission

The mission of Pupil Transportation is to be the best provider of safe and efficient pupil transportation and to treat all people fairly, equitably, and with respect.

We support a program of on-going training and professional development to enable our drivers, assistants, mechanics, and staff to perform to their maximum potential.

Objectives

- To provide transportation in a safe and timely manner.
- To provide staff development and training which enables each bus driver and assistant to understand the scope and responsibility of the job/position.
- To provide training which enables each bus driver and assistant to be as safe on the road as possible.
- To actively seek support of schools and community in helping each bus driver and assistant to develop to his/her fullest potential.
